you build your brand Togather

we create success.

ABOUT US!

Lightflame Home Appliances Pvt. Ltd., Established on **22nd June 2020,** is a Trusted Name in the Indian Home Appliance Industry. Headquartered at **300J, Phase-3, Sector 53, HSIIDC, Industrial Area, Kundli, Sonipat, Haryana,** we are committed to delivering reliable, affordable, and high-performance kitchen and home solutions for every household.

At Lightflame, we specialize in manufacturing a diverse range of essential appliances including gas stoves, electrickettles, induction cooktops, mixers, immersion rods, blenders, and more. Each product reflects our dedication to quality, innovation, and user

Driven by the needs of modern Indian homes, we combine cutting-edge technology with practical design to create appliances that not only simplify daily chores but also enhance your lifestyle. Our strong manufacturing capabilities, efficient supply chain, and customer-first approach make us a preferred choice across multiple platforms both offline and online.

As we continue to Grow, **Lightflame** remains focused on making everyday living easier, smarter, and more efficient **One Appliance at a time.**

Years of Expertise	Product Range	Satisfied Customers
30+	**200+**	**100+K**
